### ROCKY POINT FIRE/EMS BOARD NEWS

An executive meeting preceded the regular May meeting, at which time the Board interviewed Greg Sullivan for the position of Fire Chief. He was unanimously approved and will begin his reign July 1<sup>st</sup>, 2009, replacing Loren.

The all Board members, the Fire Chief, and 3 guests got right down to business. Loren reminded all Board members to call his office if there are agenda items for the upcoming meeting.

Mike covered financial matters, and the Board approved them, as well as the minutes.

Fire Chief reported responses to 3 MVAs, including a mutual aid to Jackson County that involved auto extrication. They also took care of 1 medical aid and 1 rescue assist at Eagle Lake. Add to that runs for 3 illegal burns and 1 escaped burn.

Volunteers logged 60 hours of training. Aspen Room was busy 5 days with Quilt and 1 for USFS cabin owners’ meeting. And the BBQ plans are right on schedule!

After announcing the budget meeting on May 13<sup>th</sup>, building permits approved for fuel tanks, and no new news on a replacement pickup, this highly-efficient meeting ended.

You’re welcome to watch the new Board members and the new Fire Chief in action the second Tuesday of every month.

*Complete & official minutes available at Fire Hall, 356-2205. This Institution is an equal opportunity provider.*

### RUNNIN' AROUND

Gosh people were busy with fun trips this month! **Doris Dandurand** met up with one of her sons and winged it to South Carolina for her granddaughter's graduation. **Sherry Wilson** also hit the eastern seaboard, where she worked in some serious grandson time.

Speaking of graduations, **Glenn & Kathy** also attended a grandson high school graduation in California. Of course that was reason enough for them to load up the RV and spend some additional time with family & friends.

**Sullivans** almost didn't come home, what with all their adventures in Bryce, Zion, Yellowstone, and lots of other points of interest. Greg did do some training in large-animal rescue along the way, and they discovered it's darned hard to get a beer with your pizza in Utah.

**Wicklunds** gathered up Larry's brother, **Swansons**, and **VanHultzens** (who days before returned from Holland visiting their son) for a week of birding and great fun around bonfires in the Malheur area. Of course they chose the monsoon season for that adventure.

**Rusts** ambled north and spent time in Portland and Issaquah playing with

grandchildren, and children. The **Tompkins** pair also went to Portland to visit a son, who they brought back with them, and bid Doris farewell on her trip. **Griebs** attended a Dean sister reunion in Roseburg and decided they were so close to the Mill Casino that they'd just spend a couple of days there too.

**Blacks** celebrated their anniversary in Reno, where they discovered \$3 movies and cheap pool games. Their round-about route home took them through some Forest Service and back areas they'd never been before.

El Paso may never be the same, now that **Eileen Oswald** touched down to attend her daughter-in-law's graduation from basic training. However, she also linked up with good buddy and former local Liz Stobaugh, which will undoubtedly yield stories.

### FROM THE READERS AND THE

### WRITERS

This month marks the passing of the Fire Chief gavel from **Loren Head** to **Greg Sullivan**. Please make it a point to thank

Loren for postponing his retirement to contribute immeasurably to the health, safety, and good spirit of our community. Welcome Greg and find out how you can participate in continuing and growing our public services and community cohesion.

Our volunteer department Fire Chief is responsible for tons of legal, physical, mental, and social tasks, with a pittance for compensation. Thank you Loren, and welcome Greg.
