ROCKY POINT FIRE/EMS BOARD NEWS

Three Board members and Loren attended the July meeting. After dispensing with and solving treasury and minutes matters, Loren submitted the Chief’s report.

Volunteers responded to 2 motor vehicle accidents, both at MP 43, 1 disabled vehicle, and 1 bike accident. There were 2 fires, assist with the Doak Mountain fire (where the new tender was a great help) and 1 structure fire. Unfortunately, the new home could not be saved, but the department prevented fire spread. The emergency engine provided standby service at the air show. Volunteers logged more than 50 hours of training, and Quilt used the Aspen Room about 6 days.

The old water tender is still for sale, with an interested party. Revised 08-09 budget was signed.

New business involved discussion and plans for researching ambulance transfer to Medford, now on a case-by-case basis. The issue of a new engine is now on hold.

These fine community volunteers ended the meeting, confirming you’re all welcome at any of the meetings, 2nd Tuesday of every month, 7 PM, Aspen Room.

Complete & official minutes available at Fire Hall, 356-2205. This Institution is an equal opportunity provider.

ABOUT THE FALL FESTIVAL

It’s on its way! Sunday, October 18th, the fire hall will be filled with chili and cornbread eaters, pie and cake buyers, shoppers scooping up gifts and items for their homes, and ticket buyers vying for ownership of this year’s opportunity quilt. Certainly plan to come. You can also help with this fundraiser in other ways.

- Bake cookies, pies or cakes
- Donate ideas and items for the boutique
- Get your name in a slot to help serve, set up, take down, cashier, work the kitchen, cook beans, or whatever is needed.

Contact any of these people if you have questions or want to pitch in: Julie (356-2550), Tess (810-0008), Annie (356-2226), Diane (356-0909), Mata (356-2236), Meridel (356-2177), Eileen (356-0045).

Proceeds fund this year’s fire department project and a long list of needy causes locally and in our county. It’s also the cheapest lunch you’ll find anywhere, and a fun day.

Some of the folks around here piled trips on top of trip. Like **Dee Sullivan** got in some granddaughter spoiling in California, spent a couple of days here, then went to Washington to help care for her twin brother. **Florence Nelson** hardly rested from her trip to Redmond, including a Mt. Bachelor lift ride to dinner AND lots of spoiling the triplet great granddaughters, before she spent days in Medford caring for her daughter following surgery.

Dearings celebrated Margaret's Medicare birthday in Reno, then she spent about a week in Portland hanging with granddaughters. **McIntoshes** rode the dunes on the coast for some days—2 times. **Eddie, Rona, Scott, Nancy, Kent, Peggy, Glenn, & Kathy** also fished, ate, drank, hiked, berried, gambled, and danced their way along the coast, where Rona somehow visited a slot machine that gave her a couch. Days later **Scott & Eddie** left on their annual Eastern Oregon hunting trip. **Oswalds** leisured themselves toward the coast, then to visit their daughter and take in the Oregon State Fair.

Further from home, **Mike & Julie** took Mike's mother for a sister visit, then they escaped to adventures on Vancouver Island. **Carl & Brenda Cordes** headed the other direction—Mexico.

And let's not forget about the **Griebs, Wicklunds, and Van Hulzens**, who made the long trek to Bonanza for camp time and a day at the Chili Cook Off and Hobby Fair.

FYI

Klamath Basin Senior Citizen Council is offering energy assistance to elderly and low-income families. The program helps pay for heating gas, oil, wood, electricity, and other energy sources. Senior citizens will be eligible to apply in October, with the public sector intake beginning December 1st.

You may call Nicky Fuller at 883-7171, ext. 35, for information or email her at nfullerkbscc@yahoo.com. If enough area residents call, she's willing to come to Rocky Point and help with applications.
