## ROCKY POINT FIRE/EMS BOARD NEWS

Four Board members, fire chief, and one guest attended the May meeting. After approving financial matters and the minutes, Greg provided the Chief’s report.

The month’s responses consisted of 1 MVA with transport, 1 without transport, 1 medical with transport, 1 without, and 1 public assist. Volunteers trained for 44 hours, with 182 for the year. Quilt used Aspen Room 4 days.

The fuel tank is done! Ferrell will submit a refund for the old tanks. Audit for 06-07 will soon be final.

A special meeting for directors and staff will be held May 22<sup>nd</sup>, and all Board members are planning to attend. Thanks to Diana, Mata, and lots of volunteers for the Fire Hall clean-up success. Larry Wicklund will head up next year’s cleaning day.

Meeting adjourned so the Board could adopt the 10-11 budget, which will be signed at the June meeting.

Come to any of the meetings on the 2<sup>nd</sup> Tuesday of each month. *Complete & official minutes available at Fire Hall, 356-2205. This Institution is an equal opportunity provider.*

## THE BBQ IS COMING

That’s right, on **July 17<sup>th</sup>** the VFA will host the annual bash. Income has helped fund vehicles, equipment, and tons of items

to fight fires and save lives. This year, profit is earmarked for GPS units, a rescue winch, Kenwood radios, and a training mannequin.

Of course this event couldn’t boast about its success without lots of community support and volunteerism. Check your calendar and see when you can step up to help in the days before and on the day of the BBQ.

Get out those awesome baking recipes and contribute to the bake sale. Dee would like those sweet treats delivered to the fire hall around 7:30 AM on the 17<sup>th</sup>. Please label and price your contributions. An insert about the flea market is included in this newsletter. Contact anybody listed below for other questions or information. But certainly attend.

**Flea market – Annie Wicklund, 356-2226**

**Bake Sale – Dee Sullivan, 356-0920**

**Meat – Dean Grieb, 356-0909**

**Kitchen - Eileen Oswald, 356-0945**

**Set up – Dave Rice, 891-9220**

**Vendors – Terry Head 356-2260**

**Anything else – Diana Newdall, 801-3180.**

### RUNNIN' AROUND

The month started out with a **Wicklund**-inspired camping/birding trip to Thompson Reservoir, Cowboy Dinner Tree, then on to parts east into the Malheur. Various folks joined them for various parts of the jaunt—**Blacks, Buerks, Griebis, Dillenbergers, Rusts, Swansons, and Vanhulzens**. Of course there are stories and accusations that Larry & Annie organize outings only during rainy weather.

The **Cartwright** brothers, with other family and friends, took on a fishing expedition in Alaska. Reports are the catching was far less productive than fishing.

**Myrna** organized and pulled off her annual mystery trip, this time to San Francisco and related parts, again delighting her granddaughters. Around the same time, the **Kings** returned from their lengthy European trip, in time to go separate ways for grandchildren high school graduations.

Kid-inspired travel hit several of us. **Oswalds and Sullivans** attended and celebrated Keely's college graduation. **Dearings** visited with daughters and families in Portland. **Rusts** met up with North Dakota relatives in Issaquah at Sarah's house, where they also put in a sprinkler system.

**Dee Sullivan** traveled to Washington to be with her twin brother during part of his cancer treatment. **Howard & Cyndi** went to Winnemucca for some reason, and **McLearns** just relaxed on the coast for a leisurely birthday celebration for Christy, followed by a busy Idaho reunion and a half-marathon run. Whew!

The month closed with **Blacks & Swansons** camping on the coast, probably at different locations, doing different things

### GENERAL HOSPITAL

Good healing news for **Florence Nelson and Myrtle Clayton**. Florence received a pacemaker, and Myrtle now has a new knee. Both are recovering wonderfully. Keep up the good work, gals.

### FROM THE READERS

A big ATTABOY to **Al Vanhulzen**, who responded to last month's plea for a lawn-mowing volunteer! Unfortunately, he was the only one who stepped forward. So pick up the phone and tell Diana (810-3180) you'll also sign on to take a turn mowing the fire department lawn now and again. Al does a great job, but he does have his birds to watch, his trips to take, and his outside interests to pursue. With several mowers, nobody will have to sit on the cutter very many times during the summer.

Thanks to the 10 or so volunteers who followed Tess's lead on the Rocky Point Road litter pickup. Even though some of us ended up with inmate numbers on our bright vests, everyone pitched in and picked up, with the job completed in less than 2 hours. Now if we could just keep people from tossing coffee cups, cigarette butts, and cans, it would go even faster next year. Remember! The car window is not the opening to a big wastebasket.

Internet users struggling with slow dial-up connections, run-around answers from Centurytel about future DSL connections, or frustrating service from satellite, now have another option. Fireserve, a local internet provider, has installed an antenna on Ball Point that offers Broadband service to anybody within sight of the point. That pretty much can include all the folks along the lake. The service is quickly installed and monthly rates are much less than satellite and comparable to dial-up. For more information, call them at 273-4808. or visit their informational site to check sight. <http://www.fireserve.com/internet/ub20-rockypoint.php>

One confused neighbor visited the dump lately and reported an unfamiliar face

collecting fees. Life moves on, as did **Ken Anderson**, who retired from that position. Congratulations to him and his new freedom.

Speaking of congratulations, **Keely Oswald** was the reason for her parents, Aunt Dee, and Uncle Greg taking a trip. She's now officially graduated and in graduate school.

**Linda Spicher** is now a notary and invites anyone to use her service (356-2206). We reported earlier that **Kathy Ross** is also available as a notary (281-4704).
