## ROCKY POINT FIRE/EMS BOARD NEWS

Three Board members, a pro tem secretary, and the fire chief attended the April meeting. After opening items, the group approved the minutes and agreed to pay the bills.

Greg reported 3 emergency responses for the month, bringing the yearly calls to 16. Volunteers logged 34 hours of training, with 140 for the year. Aspen Room was used 4 days by quilt and one for Bunko.

The fuel tank should be useable pretty soon, since the county-required kill switch has been installed and the emergency sign ordered. Mike says the 06-07 financial paperwork will be delivered to the auditor next week.

New business kicked off with the announcement that the department received a \$14,000 grant for a generator, with thanks to Mata for helping with the request. Greg is rethinking ambulance transport and has concluded interfacility transfers will be handled on an individual basis. Such transports require a change in policy to reflect the fee for Specialty Care of \$2750. The Budget Committee will meet April 24<sup>th</sup>.

Final announcements brought news that Greg was able to get a lower fax/phone rate for the department. He's also applied for

a rural assistance grant for \$6700 to buy 5 GPS units.

Come to any of the meetings on the 2<sup>nd</sup> Tuesday of each month. *Complete & official minutes available at Fire Hall, 356-2205. This Institution is an equal opportunity provider.*

## THE BBQ IS COMING

That's right, next month on **July 17<sup>th</sup>** the VFA will host the annual bash, with lots of work involved. Income has helped fund vehicles, equipment, and tons of special items to fight fires and save lives. This year, profit is earmarked for GPS units, a rescue winch, Kenwood radios, and a training mannequin.

Of course this event couldn't boast about its success without lots of community support and volunteerism. Check your calendar and see when you can step up to help in the days before and on the day of the BBQ.

**Flea market – Annie Wicklund, 356-2226**

**Meat – Dean Grieb, 356-0909**

**Kitchen - Eileen Oswald, 356-0945**

**Set up – Dave Rice, 891-9220**

**Anything else – Diana Newdall, 801-3180.**

**Or stop by the fire hall any morning.**

**Sharon Sligar**

Next month's issue will be financed by

## LIBRARY NEWS

For lots of reasons we welcome the return of snowbirds, but the library is particularly a beneficiary. One neighbor struggled through the door last month with 2 huge bags of new books. Other returnees share their winter reading collection, which makes for an ever-changing supply of books, videos, DVDs, and books on tape. Come in and check the selection, because it's awesome, to use Wayne Wiedeman's favorite adjective.

## RUNNIN' AROUND

**Sharon Sligar and Sue Malone** hit the trail for their first RV camping trip to Silver Falls State Park. Along with a drop-in guest, they hiked trails to 10 waterfalls and attended the Oregon Brewfest (wouldn't you know!). Good time, in spite of having to drive through snow to get home. By the way, welcome to Sue, who is now a fully-moved-in, permanent Rocky Point resident.

**Mike, Julie, Dan, & Meridel** made what's becoming an annual pilgrimage to Las Vegas, on the pretense of celebrating the guys' birthdays. Apparently the Cher show was the highlight.

**Zemans** packed up and headed for Seattle, where they visited relatives and watched a granddaughter in competitive ice skating. **Greg Sullivan** flew to Colorado to help instruct other firefighters, while **Dee** babysat for their granddaughter in California. The two met back up in time to travel to Washington for a visit with Dee's brother.

**Buerks** spent family time in Eastern Oregon, and **Morey & Brenda** made a relative connection in San Jose. Don't even ask Morey about the traffic down there!

**Bob & Debi Luther** took a rare and deserved vacation to California, for a very special occasion—to welcome baby granddaughter Quinn Elysee Luther, their first grandchild.

If you think it's been a long time since you've seen **Richard and Patti White**

around, it's because they're taking the long way home from Arizona, through Las Vegas for a granddaughter's wedding. But they did check in, will be here soon, and all is good in their life.

## GENERAL HOSPITAL

**Terry Head** came through lung surgery like the trooper she is. She's healing delightfully fast, probably because of her great attitude. **Bob Fuchs and John Donato** are both back in operation following hospitalizations. Also paying a visit to the hospital was **Emilia Vance**, who apparently is on the mend. Finally, watch out for high-stepping **Audie Brown**, who now has a new knee.

## FROM THE READERS

**A BIG HIGH FIVE** to the over 30 people who showed up for a mega-cleaning day at the fire hall. Things are all tidiness and sparkle inside and out now, thanks to all the hard work, mixed with great fun. Thanks to Quilt for providing lunch to all the cleaners.

Speaking of the fire hall, we need someone who is willing to mow the lawn. Not that you'd have to build your life around the chore, because hopefully several somebodies will step forward and the duty can rotate. Give Diana a call and find out possibilities and particulars (801-3180).

While we're on the subject of clean, Rocky Point Road isn't, and we can fix that. Show up at the Aspen Room on Wednesday, **June 23<sup>rd</sup>, 9 AM**, to get a cup of coffee, a snack, a stylishly bright vest, and a coordinating trash sack. Bring strong gloves, an ATV if you want, and we can probably have the roadside and ditches free of debris

in a very few hours. Call 810-0008 if you need more information.

Are we still on the subject of clean? Of course we are. Get busy cleaning out things you no longer need and reserve your free space for the 3<sup>rd</sup> Annual Rocky Point Yard Sale and Hamburger BBQ in the mini storage lot behind the Solar Café. **June 19<sup>th</sup>, from 9 AM to 3 PM** is the appointed time. Call now to reserve your spot (356-2400).

Not to beat the clean concept to death, but if you don't want to peddle your own obsolete wares, save them for the BBQ flea market. Annie is eager to best her record sales, and the only way she can do that is with lots of donations. (356-2226).
