## ROCKY POINT FIRE/EMS BOARD NEWS

All 5 Board members and Fire Chief Chad attended the September meeting. Minutes and money matters were approved, and the group moved on to the Chief's report.

August responses consisted of 1 wildland fire, 1 medical with helicopter transport, 2 medical with transport, and 1 medical non transport, for a total of 53 responses for the year. Volunteers participated in 70 hours of training, bringing the annual total to 465 so far.

Chad reported for the VFA that they're formulating their wish list.

Old business – Mike Black will pick up paperwork on state audit to see what's going on. All purchases have been made and money received from RFA grant.

New stuff started with non-emergency transport matters. Chad would like to see our department continue to support Sky Lakes by providing ground support on a case-by-case basis, which will add revenue to our department. In the future, he would like to add paid staff, with more training and staffing in our community.

Chad would like to purchase a second engine or upgrade 2119. He also would like to investigate the department's legal

representative, maybe changing to one who is more proficient in public safety laws.

After welcoming Chad Partington as the official Rocky Point Fire Chief, the meeting adjourned.

Come to any of the meetings on the 2<sup>nd</sup> Tuesday of each month. *Complete & official minutes available at Fire Hall, 356-2205. This Institution is an equal opportunity provider.*

## THE FALL FESTIVAL

Seventy-six homemade pies, plus a beautiful collection of gourmet breads and cakes—sold out, record sales! \$2000 worth of quilt raffle tickets—sold out! 35 flu shots. 289 chili meals served—almost sold out! Nearly \$2500 in bazaar sales—a new record! A quilt display—new feature! Over 60 dozen cookies! Tons of compliments from attendees on almost everything, especially the 62 volunteers and additional walk-on helpers, who contributed to the success by baking, making, hauling, cleaning, money changing, and arranging—a strong message about this community's volunteer spirit.

*Fall Festival, cont.*

That pretty well sums up the 2010 Fall Festival, except to thank absolutely everyone for supporting the event on a beautiful fall day. Raffle monies will now fund items the fire department needs. Remaining proceeds will go toward a very long list of community projects, some of which are also on the fire department's list.

Congratulations to Lynn Moore, who lives only doors away from Meridel, winner of the hand-quilted raffle item.

### **IMPORTANT LOCAL DATES**

**Nov. 15** – Deadline for submitting paid reservations for the Annual Ladies' Holiday Luncheon (more on that below). Phone 356-2233 or 892-0586. Mailed reservations and payment must also be received by Nov. 15. Make checks payable to Rita Donato. Deliver or mail to 22608 Horseshoe Way, Klamath Falls, OR 97601.

**Nov. 15** – Deadline for getting your name on the list of attendees at the Rocky Point Free Thanksgiving Dinner (more on that below also). Phone 541 356-2356 to confirm your attendance, reserve a ride, or get more information. RSVPs critical for food plans.

**Nov. 16 – 9 AM – Noon, Aspen Room** – Drop off any items for Operation Shoebox, a project Quilt annually supports in conjunction with Girl Scouts. Every Klamath County foster child receives a shoebox for Christmas at a GS-sponsored breakfast, filled with an assortment of items—sox, school supplies, jewelry, hygiene items, toys, gift cards, etc. Anything that fits in a shoebox is welcome. Cash donations will be used to purchase items or gift cards. Questions? 541 356-2236.

**Nov. 25 – Noon to 4 PM, Cascade Social Club – Free Thanksgiving dinner for all our Rocky Point friends and neighbors.** Some of our kind and unselfish folks have gotten together to make sure everyone in Rocky Point has a wonderful Thanksgiving dinner and afternoon. Guests coming? Bring them along. Want to just come for dessert or part of the camaraderie? Do it. Need a ride to and from? We'll provide it.

**Nov. 29, 3 PM, Aspen Room – Rocky Point Town Hall meeting with Klamath County Commissioners.** In an effort to update rural communities and hear their concerns, the Klamath County Commissioners are holding 2 town meetings per year. This is Rocky Point's second this year, and everyone is encouraged to attend. It's your opportunity to ask the status of projects, request additional information on happenings, and seek help in solving local problems.

An impressive number of our locals attended a recent hearing on a land use decision. This meeting is our opportunity to be proactive in matters affecting us all, as opposed to taking a reactive position when a decision like this has been made.

**Dec. 4, 11 AM, Aspen Room of the Rocky Point Fire Hall – Annual Ladies' Holiday Luncheon.** The men of Rocky Point will pool their culinary skills and provide a gorgeous prime rib lunch for the women. Volunteers will outfit tables in festive finery. Quilt will provide wine and coffee. All they need is you to come and share in the merriment, at the low price of \$8.00. Call your neighbors and bring them along.

### **RUNNIN' AROUND**

As usual, it was hard to keep everyone at home, starting with several unrelated Reno trips. **Bob & Gale Lemas** keep going down, saying they have children who live there. **Veitches** made a pilgrimage there also, before taking their REAL vacation with children in Victoria. **Rusts** made a parallel trip with the **Griebs** to the Grand Sierra celebrating Mata's birthday at the Steve Martin concert. Talk about banjomania!

The **Hedges** took in all sorts of college and sorority homecoming activities in Colorado. They weren't home all that long before joining the **Blacks** for a Portland Jimmy Buffet concert. Reportedly is was a highly-participative event, complete with parrot heads and shark fins and fans of all ages. **Dan & Meridel** took a detour home, through Wenatchee, WA. Somewhere in there, **Blacks** also worked in attendance at a wedding in Helix, OR, one of their former home places.

**Howard & Cyndi** also did the wedding scene in Portland, where they were able to cuddle with their newest grandbaby. Immediately following that happy time, they joined up with **Dearings** for a Howard birthday celebration week on the coast, fishing, crabbing, and checking in at the Mill Casino. **Sue Malone** left Sharon in RP to care for animals and the home, while she spent a week in Portland. The time was filled with family, a New York friend, and exploring Silver Falls State Park and lots of gorgeous fall colors.

**Heads** loaded up the camping gear and joined Terry's sister at Eagle Lake for some outdoor time (in an RV with a fireplace!). **Gary West and Greg Sullivan** also took to the outdoors near Denio, where

they tracked birds. **Metlers** tracked something much bigger than birds, on a Wyoming hunting trip to the ranch where they once lived.

California visitors were in the minority this round. **Glenn & Kathy** checked in with step-mom Ann, who recently suffered a fall. **Feliciellos** made a couple of trips to Sacramento, partly for business, partly for some very good time with family.

Distance award this month goes to **Rob and Lori Buerk** for their trip to France and Switzerland. Lots of stories there about their unique lodging, as in wineries, and the off-the-beaten-path experiences.

### **CONDOLENCES**

. . . to the **Dillenbergers**, following the death of Tess's mother in Florida.

### **GENERAL HOSPITAL**

Wishes for quick and complete healing to **Dan Hedges**, who is undergoing hip replacement surgery on the day this newsletter is being printed.
