## ROCKY POINT FIRE/EMS BOARD NEWS

All Board members, Fire Chief, and one guest attended the April meeting. Minutes and treasurer’s report were accepted, and the bills will be paid.

Fire Chief reported 1 MVC with transport, and 1 medical with transport, making a total of 14 calls year to date. Volunteers have logged 154 hours of training for the year.

Volunteer reporter reminded everyone of the BBQ on July 16<sup>th</sup>.

Old business began with the 2006 audit, about which we’ve heard nothing. Chad will use the \$10,000 pledged by the VFA to upgrade 2191 with needed equipment. The generator installation and all permits are complete! Bring on the power.

New business opened with a reminder that budget meeting will be April 23<sup>rd</sup>, and all materials have been distributed for review. Chad said the upgrades to 2191 will allow our department to do transports between Sky Lakes and Medford, which will generate more income for the department. We should have enough manpower for that duty, as well as coverage and ambulance service for our own community.

With business complete, the meeting adjourned. Come the 2<sup>nd</sup> Tuesday of each month. *Complete & official minutes available at Fire Hall, 356-2205. This Institution is an equal opportunity provider.*

## SPRING CLEANING

And what a wonderful day! Some 25 hard-working, equipment-wielding workers showed up to rake, haul, burn, scrub, organize, purge, polish, sweep, and mop, not to mention deal with mouse poo. By early lunch time, the place sparkled, exposing bare spots nobody had see in years.

Thank you everyone, for taking care of a chore that couldn’t happen without this show of force. Thanks to Quilt for rewarding everyone with a great lunch and homemade desserts.

## GET THOSE TICKETS!

This year’s raffle quilt is on the home stretch for completion. Tickets are available now and can be purchased for the October drawing from any of the quilters, at the fire hall Tuesday mornings, or by calling 356-2236.

**Printing paid for by  
Ted & Eileen Oswald  
Next month’s issue will be financed by  
Glenn & Kathy Ross**

## GEARING UP FOR THE BBQ

The volunteers continue to organize, plan, and schedule for Rocky Point's biggest event, the 30<sup>th</sup> Annual Rocky Point BBQ.

## RUNNIN' AROUND

**Malone and Sligar** spent 4 days at Harris Beach. Great weather. One good kayak day. Visited the Japanese bomb site. Journeyed north to South Beach to visit brother and wife for two days. Great visit but had rain. Hurray for our southern banana belt in Brookings.

**Jim & Deb** from Fish Lake Resort got away and vacationed in Wyoming, mainly to watch their daughter receive her degree in nursing. They had to get back home though, so they could welcome their newest baby granddaughter.

**Newdalls** skipped the country for a great Mexican trip. There are some relatives involved, but that certainly won't interfere with their good time and relaxation.

**Mike and Julie**, in lieu of taking in Paris and Russia, wandered toward the coast for a getaway. On the itinerary was a stop at Helen Brown's newly-acquired coastal retreat.

Snowbirds continue to wander back to their nesting grounds, with the **Oswalds** being the most recent arrivals. Don't think they sat in one Arizona spot all these months, because they have quite a travelogue of other trips and drinking stories.

## RESORT NEWS

**Crystalwood Lodge** is filling up fast, but there are June openings, with limited availability during the summer months. Liz reminds everyone that Crystalwood is a portal birding site on the birding trails.

**Fish Lake Resort** will be open weekends until the 2<sup>nd</sup> week of June, adding days as the weather commands. Don't forget their mega fishing derby June 18<sup>th</sup>, where kids 10 and under enter for free. Prizes, fun, T shirts, and the best time a child (and adult) could have! [www.FishLakeResort.net](http://www.FishLakeResort.net)

**Lake of the Woods** reminds everyone June 11 & 12 is free fishing weekend. On June 18 & 19 they'll be hosting a youth angling event. Email or check their website for all the great special events accompanying that event. [lowoffice@aol.com](mailto:lowoffice@aol.com).

Tess & Eric of **Solar Café**, open Thursday through Sunday, say the new gallery & walking garden areas have been well-received. Display items are always changing, featuring Bev Ott's framed, original watercolors for June.

## GENERAL HOSPITAL

Welcome home to **Terry Head**, who spent a couple of weeks at Sky Lakes.

## CONDOLENCES

Another Rocky Point legend gone! **Phil Rand**, a hearty walker, amazing military pilot, and all-around good friend and neighbor to Rocky Point people passed away this month.

Our sympathies go to **Howard & Cyndi Tompkins**, following the death of Howard's stepmother. And to **David and Sabra Hoffman**. Sabra's brother, who was also David's best friend, passed away. Also to **Bob Snyder**, whose wife "Tiny" died in October.

## CONGRATULATIONS!

**Kathy Ross** retired – again. But we think she means it this time, because she and Glenn are already out of here, on the road, visiting, vacationing. Glenn says he's done cooking, and now Kathy can make it to Monday Night Football on time.

**Keeley Oswald** finished up her final requirements for her masters degree. The only thing left is for her to march across the stage and collect yet another diploma.

## FYI

The 4<sup>th</sup> Annual Rocky Point Yard Sale is scheduled for **Saturday, June 25<sup>th</sup>, 9 AM – 2 PM** at the Solar Café & Mountain Lakes Storage area. Reserve your space by calling 810-0008. There'll be a \$10 set-up/advertising fee. Bring your own tables and stuff for a fun day. Antiques & collectables, furniture, lamps, books, building materials & hardware, household items, and more. Hot dogs, hamburgers, milk shakes, cold drinks, hot coffee for sale at the café, patio and indoor seating, or to-go.

June opens the season when there aren't enough hours in the day to do everything. Our whole area is scheduled to the hilt with tons of activities, from free Memorial Day celebrations, free fishing weekend, concerts, marathon runs, community-wide yard sales, guided walks, vintage car shows, a quilt show, farmer's markets, and on and on and on. Anybody who would like an ongoing, continuously updated list of activities all over the area may receive an electronic version by contacting Mata by phone (356-2236) or email ([rustm@fireserve.net](mailto:rustm@fireserve.net)).
