### ROCKY POINT FIRE/EMS BOARD

The April Board meeting had all 5 members present, plus the Fire Chief and 2 guests, who were introduced.

Guest concerns opened with the non-emergent transport issue and how to get County Commissioner approval to proceed. The Board responded that District I voted down the proposal at the Ambulance Advisory Board meeting, and they don’t want Rocky Point’s vehicle parked in town. The Board contends our department will continue to do non-emergent runs when a call is received and the staff is available. If County Commissioners and District I should approve the plan, the Board will consider it.

Minutes and treasurer matters were approved, followed by the Fire Chief’s report. During March the volunteers responded to 1 MVC without transport, 2 medicals with transport, and 18 hours of volunteer training.

Nick Ryan, reporting for the VFA, said the group had purchased a Capstan winch, pressure washer, and a new garage door opener. Nick will be getting his firefighter certification next month, and Greg Sullivan received his Firefighter I certification.

Rita reminded the Board they needed a motion and vote to receive funds from the

VFA for running the July BBQ, which was made and passed. Rita also reminded the Board to identify what they want Quilt to fund with proceeds from the 2013 raffle quilt.

Old business kicked off with confirmation that Terry is working with Chad on the upcoming budget committee. Dean Grieb presented an estimate on materials for the new shed, which will hold disaster supplies. Mike Igou will request that Quilt purchase a portion of the materials.

New Business’s first item was confirmation that injectors were replaced on the Fire Chief’s truck. Yvonne Caroon from Klamath Falls was introduced, with a long list of credentials and experience, and wants to train with our department, serve as a volunteer, and help with non-emergent runs. Chad asked for help from the community in finding a Rocky Point residence for our out-of-town volunteers to stay when on duty.

*(Continued on P. 2)*

Printing paid for by  
**Sharon Sligar**  
Next month’s issue will be financed  
by  
Becky Short

Other new business addressed fund names and their inclusion in the budget, as well as Dean's request for community help at Cycle Oregon in Fort Klamath (Sept. 10 & 11), and volunteers to help sell 50/50 tickets at the Lake of the Woods car show (Sept. 22). The 50% not awarded the winner will be donated to RPF/EMS Department.

You're welcome at any of the meetings the 2<sup>nd</sup> Tuesday of each month. **Complete & official minutes available at Fire Hall, 356-2205. This Institution is an equal opportunity provider.**

**Fire Med Plus** offers ambulance and medical airlift transportation for only \$125 per year per household. This emergency transport coverage is available through our fire department. Find more information on the kiosk, by calling Rita (356-2233), or by contacting Chad (281-9404).

**BBQ STUFF**

**Annie** reminds everyone to set aside all things that could be saleable items for the July BBQ flea market. Call her if you have questions. 541 821-8857

**RUNNIN' AROUND**

**Sligar and Malone** spent 10 days touring 31 covered bridges in the Willamette Valley and surrounding areas. Added to this was a tour of the Tulip Farm in Woodburn and an overnight stay at Sharon's brother's house. But there are more covered bridges in Oregon, and Sue says she's hooked and will get to them all.

**Rona** left Eddie to fend for himself, while she headed to the valley to engage in party times with daughter Jesse. **Howard & Cyndi** tripped to Reno, where excitement involved an escalator and subsequent hospital visit. On a milder

note, **Dan & Meridel** celebrated Mother's Day in California with the 2 special granddaughters, before celebrating Dan's birthday with a trip to the coast.

**G;enn & Kathy**, accompanied by Ziggy the Wonder Cat, visited their daughter and grandson during a California trip. **Rusts** headed the opposite direction to the Seattle area for a grandson's 4<sup>th</sup> birthday. **Mata** dropped Jim off in Rocky Point and vacationed in Santa Fe with friends from the childhood days.

**Feliciellos** did it all in Astoria, and **Loren** accompanied Elaine to Georgia to meet family, attend a graduation, and feel what real humidity is. **Donatos** traveled to California for John's brother's birthday, then on to Maryland for a grandson's graduation.

**Blacks** celebrated Mike's birthday with a loop through the metropolises of Plush, Winnemucca, and Susanville. **Pat & Jerry Higgins** crossed the country to Florida for a very special graduation, as well as some tourist activity. But the most important trip of all has to be the one **Oswalds** took. More on that later.

**GENERAL HOSPITAL**

About the **Oswalds**. The call came for them to get to Portland ASAP, and they did. Ted is now the proud owner of a new kidney. Recovery and tests will continue, but reportedly the surgery was successful and he's doing great.

Others among us also underwent surgeries of varying magnitude—**Toni Wiedeman, Eric Dillenberger, Greg Sullivan, Bill Collier, and Larry Merry**. Larry's surgery gave Audie an excuse to go

to California and oversee the recovery, and cook.

**CONDOLENCES**

Sympathies to Sherry and other family members on the recent death of **George Harris**.

**FROM THE READERS**

In response to George Gregory's inquiry about the Odessa Transfer closure, Tom Crist of Klamath County Solid Waste Department says, "There will be notice given if any changes occur concerning the transfer stations from the County Commissioners, and the Solid Waste Division." We take that to mean our dump won't be closing without advance notice and/or some conversation.

**Rita Donato** took on the task of identifying newcomers to our area and distributing welcome packets to them, and she's doing an outstanding job. The packet contains a wealth of information that is probably new to a lot of people who have even lived here for a spell. If you know of someone new, or if you are now part of Rocky Point and would like this information, call Rita (541 356-2233).

Volunteers from outside our fire department will be training in Rocky Point periodically. Sometimes they'll need to stay overnight, so the department is looking for any lodging opportunities available. If you have, or know of, a sleeping space, contact Chad (541 281-9405).

**FOR SALE**

28' Toy Tongue Hauler  
Self contained, Onan generator  
Sleeps 10, excellent condition

(COS-FT-841693)  
Facials and body treatments,  
541 891-6932

**RESORT NEWS**

All of our resorts and businesses are open in full force this month, ready for you to drop in and see what's new. In addition to Friday Night Pizza and Sunday breakfast & lunch, **Solar Café** is now offering Saturday Relics, featuring an outdoor tent full of treasures. **Fish Lake Resort**, in addition to their 7-day restaurant menu, will feature prime rib and salmon Friday & Saturday nights.

**Lake of the Woods Resort** continues its fine food and service, but plan to attend one of their many special events, like vintage movies, patio BBQs, and bands. **Rocky Point Resort** is open Wednesday through Sunday, also with several summer special events. Check websites listed on the back, or call these places for reservations and information. **Odessa Coffee and Odessa Store** also are available and stocked with just about anything you might need.

**FROM THE WRITERS**

More than 20 people showed up for the Fire Hall Clean-Up Day, making short work of a big task. A hearty thanks to all the workers, who gave our volunteers a facility that's much cleaner and tidier now. Thanks also to Quilt for providing lunch and making sure nobody's body ran low on fuel.
