ROCKY POINT FIRE/EMS BOARD

Four Board members and the Fire Chief attended the August meeting. After disposing of the minutes and financial matters, Treasurer Terry requested that the department purchase a computer for the exclusive use of the treasurer and Board members.

Fire Chief reported on calls for the previous month - 6 medical without transport, 1 intercity transport, 1 medical with transport, 2 motor vehicle accidents with transport, 1 burn, and 1 mutual aid to Chiloquin. The volunteers logged 47 hours of training, with Nickie Caroon logging 48 hours in Rocky Point.

Old business consisted of a letter to the department from Dave Epling, regarding housing for our volunteers from out of town.

New business began with an alert for everyone in the community to be aware our ISO rating is 8B. That makes a very big difference when homeowner's policy rates are determined. Anybody interested in co chairing the 2013 July BBQ should contact Rita (542 356-2233).

The meeting closed with reminders of dates for Cycle Oregon (Sept. 10 & 11) and Lake of the Woods Car show (Sept. 22nd)

You're welcome at any of the meetings the 2nd Tuesday of each month.

Complete & official minutes available at Fire Hall, 356-2205. This Institution is an equal opportunity provider.

MORE FIRE DEPARTMENT NEWS

Thanks to **Greg Sullivan**, who pulled together an able crew of fire department and community volunteers to earn the department \$1500 for clean-up duty during Cycle Oregon at the Fort Klamath site.

More thanks to **Rita Donato**, who also collected up area volunteers to sell 50/50 tickets at the Lake of the Woods Car Show. The big back pat here goes to George at Lake of the Woods, who donated the non-winner's portion of almost \$250 to the fire department. It is a giving community we live in, with a huge spirit of volunteerism.

Fire Med Plus offers ambulance and medical airlift transportation for only \$125 per year per household. This emergency transport coverage is available through our fire department. Find more information on the kiosk, or call Rita (356-2233), or Chad (541 281-9404).

FALL FESTIVAL

It's been a busy year for this community, but the one last hurrah is the Fall Festival. Quilt folks and a host of area creative supporters have been hard at work already, planning, making, and having some fun along the way. Proceeds from this annual event fund a project the fire department chooses and support a variety of other needy causes throughout our area.

This 11th annual gala again features all-you-can eat chili, accompanied by cornbread, chili fixings, coffee, cider, and cookies for only \$6. Then there's the whole pie and specialty baked goods sale, and don't forget the bazaar, chock full of unique items that make great gifts and useful things for the home. And don't forget that it's also when the winning ticket for this year's opportunity quilt will be drawn. Flu shots will be available beginning at 11 AM. Medicare patients are reminded to bring their cards.

Sunday, October 21st is the big day. Doors at the fire hall open at 10:30 AM, quilt drawing occurs at 2 PM, and the day wraps up about 2:30.

Call (541 356-2236) if you're able to be a pie baker, brownie maker, cookie creator, chili server, bazaar worker, money taker, setter upper, taker downer, or anything else. Questions about the bazaar are best handled by Annie (541 821-8857). Tess (541 810-0008) is the authority on pies and other baked goods.

However you participate, it'll be a good end-of-the season get together for everyone in and around Rocky Point.

RUNNIN' AROUND

Sligar and Malone spent 4 days in Lakewood, CO attending the Oukrop

(Sharon's side) reunion. The fun times included biking, kayaking, eating, and yakking. Brother Roger and wife joined them for a two-week return RV trip through Wyoming, South Dakota, and Idaho. Sue and Sharon met brother Dan and his wife at South Beach, which does not compare with "our" sunny coast.

Griebs made their annual trek to the Reno Air Races, where they partied up with friends. **Rusts** joined them for a couple of play days in Reno. On that suggestion of gambling, **Gale Lemas & Doris** celebrated their birthdays, belatedly, at Seven Feathers.

Glenn & Kathy loaded Ziggy into the RV and headed into California for 3 or so weeks, most of the time enjoying their grandson. **Sullivans** went the other direction for family time in Washington. **Wicklunds** were somewhere in between, Springfield, for fun times with Annie's brother & wife. The mountain men, **Ed & Scott**, loaded tents, bows, and arrows (and probably alcohol) for their traditional hunting expedition in central Oregon.

Jim and Irene Evans visited Idaho, and the **VanHulzens** went about as far east, to upstate New York, as a body can go and still be in this country.

Then there were the international travelers, as in **Dillenbergers**, who trekked about in Spain and France, meeting up with the **Buerks** during one of the weeks of travel.

Maybe Alaska only slightly qualifies as international, since it's on the other side of another country, but **Mike Black** did venture there for one of his regular fishing trips with two long-time buddy. **Kings and Wiedemans** also checked out our northernmost state, from the comfort of a

cruise ship. They weren't on the same one, and we're pretty sure each didn't know the other was making such a trip.

GENERAL HOSPITAL

Ted Oswald endured yet another surgery on his foot. Healing looks good this time, and indications are that the new kidney likes him and will continue its good service.

CONDOLENCES

Bob Dearing died in his sleep, after a day of walking, golfing, playing with his granddaughters, and watching the Republican National Convention. A sad day for his family and many friends.

WE'RE PROUD

Congratulations to newly-married **Jenny, Fred & Deb Hill's** daughter.
