ROCKY POINT FIRE/EMS BOARD

The July meeting opened with all Board members, Fire Chief, and 1 guest present. Previous meeting’s minutes were approved and financial matters settled. Chad reported 2 motor vehicle accidents with transport, 2 medical calls with transport, and 2 motor vehicle calls without transport for the previous month. Volunteers participated in 32 hours of training.

Old business highlighted a big thank you to head honcho Dean Grieb and his helpers Jim Rust, Mark Moore, and John Marshall for all their help in completing the disaster preparedness building in time for showing it off at the BBQ. The Board requests that all out-of-town volunteers sign a letter of commitment for 2 to 3 days a week or a weekend a month of service to the department, since we’ll will be funding their training.

New business consisted of the welcome offer from Dave Epling, who volunteered his home as a place for the out-of-town volunteers to stay during their training for the Rocky Point Fire/EMS Department.

You’re welcome at any of the meetings the 2nd Tuesday of each month. **Complete & official minutes available at Fire Hall, 356-2205. This Institution is an equal opportunity provider.**

BBQ STUFF

Last month, we reported preliminary estimates on the financial success of the 2012 BBQ. Terry crunched the final numbers, and it was a record breaker. Net income for the event was \$14,318, all courtesy of a lot of hard work and unselfish contributions from a huge contingent of Rocky Pointers and their generous friends. Thank you all, for being a big part in keeping the department’s services available for everyone’s health and safety.

About next year’s fund raiser – The Board is seeking a volunteer co-chairperson for the 2013 BBQ. Interested persons may contact Rita (356-2233) before the Sept. 11th Board meeting, when they’ll review candidates.

Fire Med Plus offers ambulance and medical airlift transportation for only \$125 per year per household. This emergency transport coverage is available through our fire department. Find more information on the kiosk, or call Rita (356-2233), or Chad (281-9404).

RUNNIN' AROUND

The Cartwright Brothers gathered up some other relatives and friends for a successful Alaska fishing trip. Loren & Elaine headed the other direction, to Reno, for family and friend visits.

Christy McLaren somehow got enough time off and around work for a spectacular month. It began with her hauling Jim to Portland, then for a camping outing on the Rogue River on the way home. That was so much fun, they conned Carl & Brenda Cordes and Gale & Bob Lemas into joining them for another campfest the following weekend at Union Creek. All the while, she worked in training to pack up 4 days later and run in the Hood to Coast Relay. Quite a feat, even if she does feel like she'll never walk the same. Way to go!

On a calmer note, Annie Wicklund left Larry on his own, while she traveled to Portland for a girl weekend with a good friend. The Mirandas celebrated Ed's 50th birthday, by tripping through parts of Oregon west of here for several days, mainly participating in casino hopping.

And on that casino note, the Igous went big time to Las Vegas for a week with family. But of course what happens in Vegas stays. . .

Steve and Christine Cutts boarded a cruise ship for somewhere around 3 weeks, taking in Russian and European culture, and running up one heck of a wine bill.

CONDOLENCES

Sympathies to the Handsakers, following the death of Sandy's mother.

WE'RE PROUD

Dwayne & Barbara McIntosh welcomed a new great grandson, Josiah

Gabrial. Rusts are keeping the numbers going with grandchildren. Twins Hosanna Ruth and Amos Savar weighed in at 6 lbs. 3 oz. and 6 lbs. 14 oz. respectively. Adam and Jodie are the proud (and very tired) parents of the Rust's 6th & 7th grandchildren.

Keely Oswald and Nick Moxley became husband and wife during a spectacular ranch wedding in Bonanza. Of course Rocky Point was well represented at the event, and most everyone even behaved themselves. Congratulations!

Christy McLaren belongs in this section too, but we already covered her exploits earlier.

FROM THE READERS

Cycle Oregon's 2200 riders will be camping in the Fort Klamath area in Sept. They've offered neighboring communities the opportunity to participate and make some money in the process. Greg Sullivan has volunteered to head up the green team clean-up portion, for which our fire department will be paid \$1500. Anybody who can spare a few hours to benefit our emergency services should call Greg (541 356-0920). Volunteers will meet at the fire hall 7:30 AM on Tues., Sept. 11th for carpooling to the site.

Are you or somebody you know new to the community? Call Rita (541 356-2233) for a welcome packet.

Veterans Outreach provides lots of items and services for our veterans at no cost. If you are a veteran or know one, please take advantage of this program.

Representatives will be at the Rocky Point fire hall at 8 AM on Sept. 22nd. Look

for more details on flyers posted at the fire hall kiosk.

LETTER TO THE COMMUNITY

"The Rocky Point Fire / EMS Board of Directors works on behalf of our community. We pride ourselves in being responsible to every family in this community. At our recent July BBQ fund raiser event there was a disaster preparedness handbook that had a political offensive picture contained in the document. I want to apologize to all of you for that being done. I can assure you this is corrected and the handbook, which is an important document will be available at the Firehouse for all community members."

Sincerely,
Mike Igou, President Board of Directors
