ROCKY POINT FIRE/EMS BOARD

Four Board members, Fire Chief, and 3 guests – Loren, Jerry, & Nick Ryan – attended the February meeting. Minutes and financial matters were resolved before moving on to the Fire Chief’s report.

Chad summarized the month’s calls of 2 medicals with transport, 1 MVA with transport, and 1 non-medical. Volunteers logged 30 hours of training.

Jerry Higgins, representing the VFA, announced they will be having their meetings on the 1st and 3rd Tuesdays of the month, following department training. One or two of the Board members will also try to attend. The VFA, who has been handling finances and administration of the July BBQ, will hand over their funds to the fire department and the BBQ will now be administered by the community. Profit from the event will go directly to the fire department account. Jerry shared a wish list of items the VFA would like to see donated or budgeted for the 2012-2013 year. The Board recommended the VFA use some of their funds, except for the \$5000 BBQ start-up money, for those items before turning the remainder over to the fire department account.

Tony Bixler, reporting for the Board, summarized his visit with Monte Keady of Fire District 1, concerning issues on non-emergent calls. More information will be

available in March, when another meeting will be scheduled. Rita and Terry have been working with department’s CPA to resolve audit concerns. According to the State office, the 2006 audit is complete and all paperwork is filed. At Chad’s request, he will turn financial transactions with Quilt over to the Board treasurer. Board voted on and approved 5 motions.

Under old business, Chad requested ideas for future planning. The Board recommended recruiting personnel, expanding the business model, and securing equipment.

New business started with Loren, who is in charge of Disaster Preparedness and setting up a handbook, handing out information identifying types of disasters. Dean & Mike also shared flow sheets identifying future needs for the department that will now be included in the Board of Directors handbook.

Before adjournment, the Board issued a reminder that any new business to be considered at a Board meeting should be emailed to Rita (rldonato@yahoo.com) no later than the first of the month. Agenda and date of next meeting will be posted on the kiosk. *(continued on p. 2)*
