### ROCKY POINT FRIENDS

*“With a bitter/sweet notification I have officially retired from active emergency duty at Rocky Point Fire and EMS. After 46 total years in the fire service, with over 6000 medical and 2000 fire calls, it is time to give my body and brain a break.*

*I truly thank you all for your amazing support over the last ten years and trust you will continue to support the fire dept. and the new chief. Thank you for making this community the best.”*

LOREN HEAD, *Retired chief*

### ROCKY POINT FIRE/EMS BOARD

All 5 Board members, Fire Chief, and 4 guests attended the October meeting. After the opening routine, 3 of the guests brought up the Farmers Market, held on Fridays at the fire hall this summer. Of concern was how many vendors would be allowed. It was determined the matter had nothing to do with the fire department, and the vendors would be responsible for setting rules. Vendors signed an Indemnity and Hold Harmless Agreement.

Minutes and treasurer matters were approved, so the group moved on to the Fire Chief Report. After reporting 3 medical and 3MVA responses, the Chief presented his moving expenses, which the department will pay. Next chief item was the proposal to sell rig 2171, the old ambulance, which the Board approved. They also approved the Chief’s request to replace the Fire Chief truck.

From the Board, Dean pointed out that the BOD Guide addresses the Aspen Room but not the fire department grounds. It will be updated with the inclusion.

The rest of the meeting included new business and a report on volunteer training, the Indemnity and Hold Harmless Agreement, funds distribution approval, funds transfer approval, and plans to hold a

gathering for the community to meet the new fire chief.

Before adjournment, the attendees reiterated how important it is for us to recruit new volunteers. Please consider serving the department. To find out more, call Chief John Koutouzou at 541 356-2205.

You’re welcome at any of the meetings the 2<sup>nd</sup> Tuesday of each month. *Meeting agenda is posted on the kiosk prior to each meeting. Minutes are posted at the fire hall kiosk, and complete meeting notes are available upon request at 356-2205. This Institution is an equal opportunity provider.*

**Reminder:** Three options for subscription medical transport service are available. Contact Rita for more information on the coverage and costs. (541 356-2233)

**FYI**

(proposed closure of Odessa Transfer Site)

In late October, the *Herald and News* carried an article outlining Klamath County's proposal to close 7 of its 12 transfer stations, including our local one at Odessa. On Oct. 30, the Rocky Point CAT hosted a meeting of Rocky Point residents and land owners to gather input on the issue and submitted those findings, as well as a request for a meeting, to Klamath County Commissioners and the Solid Waste Manager.

County officials assure us that no definite decision has been made and no time line established for any action. They have agreed to come to Rocky Point and engage in conversation about the issue. Everyone is invited to be a part of this process on **Monday, Dec. 2, 1:00 PM, Aspen Room of the Rocky Point Fire Hall.**

If you're unable to attend, feel free to send commentary with an attending neighbor or call 541 356-2236.

**RUNNIN' AROUND**

Travel slowed down a little this month, or maybe folks were just more secretive. **Dee Sullivan** met up with her Alaskan brother in Seattle, where she hung with other relatives and kept him company during surgery. **Margaret** was a guest at her granddaughter's volleyball tournament in Redmond. Soon after, she and **Doris** spent Thanksgiving in Portland at their respective daughters' homes.

**Loren** accepted grandson-sitting duty in Fortuna, during the time **Elaine** visited her daughter and grandchildren near Portland. **Hedges** made one trip south for a granddaughter birthday celebration, followed by a Thanksgiving jaunt to San Diego.

**Rusts** joined the Thanksgiving travelers by spending the holiday with Washington children and grandchildren. **Blacks** made a Reno journey, just for fun, and just to see some great stage dancing.

**GENERAL HOSPITAL**

It's going to be very quiet and on the verge of boring, while we wait for **Bob Lemas** to heal up from knee-replacement surgery.

**CONDOLENCES**

Periodically a month occurs when our little community has more than its share of loss, and that's the case now. We send sympathy to the families and friends of those who died this month: **Myrna Feliciello's mother**, lovingly cared for by the Felicellos; **Mac McGill**, former Rocky Point resident and Richard White's high school track buddy way back in Venice, CA; **Bill Collier**, long-time summer home owner in Rocky Point, good friend to many locals, and loved philanthropic figure in the Klamath Falls community.
