ROCKY POINT FIRE/EMS BOARD

All 5 Board members and 5 guests attended the August Board meeting, where the meeting opened by approving minutes and the treasurer's report. Acting Fire Chief reported that he and the assistant were able to share concerns and discuss issues associated with the Roe Outfitters' proposal to install a zip line at the former Tomahawk ski site.

Volunteers Mickey Manes and Nick Ryan will be attending Advanced Life Support training in November. Tony suggested it might be good for our new fire chief, John Koutouzos, to also attend, since he'll be arriving by Oct. 1st.

Old Business consisted of Terry's reminder that flyers to recruit volunteers were distributed at the July BBQ. The department will continue looking for ways to recruit volunteers. The follow-up meeting on the BBQ confirmed that it was another great year. Thanks to Rita and Kathy Ross, local subscribers to Fire/Med and Mercy Flights have received their ID cards. Emergency Air Lift will distribute their own cards.

The Board moved to New Business, where they began by agreeing to move department funds to the savings account.

Christy McLaren proposed selling the AED monitor to Fire District 4, and the Board approved that action.

Before adjournment, Terry suggested the Board examine forms and applications for possible revisions.

Residents are reminded that our fragile volunteer pool needs people to step up and become trained for emergency response. Please contact the department if you want to investigate becoming a volunteer, or if you know of a viable candidate—541 356-2205 or email rockypointfire@fireserve.net.

You're welcome at any of the meetings the 2nd Tuesday of each month. *Meeting agenda is posted on the kiosk prior to each meeting. Minutes are posted at the fire hall kiosk, and complete meeting notes are available upon request at 356-2205. This Institution is an equal opportunity provider.*

Reminder: Three options for subscription medical transport service are available. Contact Rita for more information on the coverage and costs. (541 356-2233)

FALL FESTIVAL

Sunday, October 20th, that's the big day. Of course everyone should come and bring friends. But this great day couldn't happen without lots of help, so step up if you want, because scheduling is happening NOW. Volunteer to be a pie baker, a cookie maker, a cashier, a dishwasher, a putter upper, a taker downer, a server, a table busser, a condiment stocker, a coffee server, a kitchen helper, or any of a number of other roles. Call now and see how you can help the 2nd biggest annual Rocky Point event. 541 356-2236.

RUNNIN' AROUND

It must be the last traveling hurrah for lots of folks around here this month, because the roads, airways, and campgrounds sure saw a lot of us. **Dillenbergers** headed off to Toronto for some weeks, to relax in the family cabin. **Blacks** took some weeks also to take in the flavor of Italy, France, Croatia, and points in between. They were also able to capture some history of Julie's father's military time in Europe.

McLarens loaded up the dogs and RV for a long weekend at Union Creek. That wasn't enough, so they followed up with an Oregon coast trip, accompanied by **Bob & Gale**. The California coast had to cope with hard-core fisherpersons **Loren, Elaine, Greg & Dee Sullivan, and Gary & Dee West**. Sadly, the report included lots of fishing stories and not many catching stories. **Sullivans** kept on going north to Sutherlin, where Greg taught another class on large animal rescue.

Glenn & Kathy Ross hung out in the Bullhead City area, scoping out casinos and packing Mom to move her to Medford.

Annie Wicklund left Larry in charge of the dogs while she ran off to Idaho, visiting a good friend, spending days in a spa, and leisurely dining evenings on good food and even better wine.

Griebs made their annual week-long pilgrimage to the Reno air races, which are held dangerously close to lots of casinos. On their final day, the **Rusts** joined them before flying out to Indiana, where they attended a 50th high school reunion, hung with family, and spoiled 4 of their 7 grandchildren.

This was also the annual backwoods bow hunting trip for **Scott & Eddie**, who were also joined by **Don Berryessa**. The **Sligar/Malone** trip of the month took them to the McKenzie Highway area camping, kayaking, sightseeing, celebrating Sue's birthday, discovering the town of Joseph, and a ton of documenting photos. **Wes & Gayle James**, who frequently vacation from their Rocky Point summer vacation, explored Vancouver, B.C. and visited folks in the Seattle area.

GENERAL HOSPITAL

Richard King made an unscheduled trip to the hospital. Hopefully his brief stay rendered him completely well again.

CONDOLENCES

Sympathy to Lee Crandall and family. **Grant** passed away this month, following complications from a stroke.

GOOD NEWS

It was also a big month for babies. **Oswalds** welcomed their first grandchild, Brenna Louise Moxley, born on Eileen's mother's birthday. Fish Lake's **Jim & Debbie Blodgett**, clearly more seasoned grandparents, now have little Xavier, their 13th grandchild.
