GENERAL HOSPITAL

A whole string of you spent time under the knife for various disorders, in varying degrees of seriousness. **Duane Daley, Helen Iliff, Jerry Aguiar, and Glenn Ross**, we wish you all quick and complete recoveries. And fast healing to **Fred Hill**, who escaped serious injury, in spite of his pickup being unrecognizable.

CONDOLENCES

To husband Kenneth Kuhr, as well as other friends and relatives, we extend sympathy following the tragic death of **Cindy Aune**.

GRANDPARENT CORNER

If it seems like **Vicki Schroeder** just took off and left Todd to his hunting vices, it's true. She just couldn't stay away from their new Spokane-based granddaughter.

RUNNIN' AROUND

Las Vegas was a hot spot for Rocky Pointers in November. **McIntosh** travelers were the first to hit the city, where they, among other things, linked up with ex-

residents Clay & Patti Williams, as well as Christy McLaren, for a social dinner. **Blacks & Hedges** hit the magic shows and slots for some days, during which Christy McLaren visited back here from Vegas.

Then there were the coast people. **Sullivans and Griebs** loaded up their RVs and enjoyed mostly good weather, with a few casinos thrown in. The **Sligar/Malone** monthly jaunt was that direction also, with lots of captivating Sue photos to share.

Let's not leave out Mexico travelers. If you wondered why Fish Lake was closed for awhile, it's because **Deb & Jim** took a much-deserved vacation to the sun, waves, warmth, and spoiling. **Anita Forry** collected up her brother, sister, and mother for a bunch of time in the water and with family. Still waiting on photos from that one.

Oswalds finally found their way back home, after some weeks attending Ted's mother's birthday celebration, complete with the whole family, scoping out Death Valley, checking in on the Ajo home, and generally enjoying parts of this country they'd never seen before. During part of that time, **Myrna Feliciello** kindly spent time in Sacramento, helping her daughter recover from surgery.

After Mexico, **Dwayne and Barb McIntosh** kept their Portland concert series attendance up, which included The Eagles and Fleetwood Mac.

All sorts of people took off to let their children and grandchildren throw the Thanksgiving feasts. **Loren, Elaine, & Griebs** motored to Newburg. **Margaret & Doris** carpooled to Portland to be with their respective children. **Wicklunds** took a week

to enjoy great people and football in Bakersfield. Oh, and when they get back, they'll be picking up their new kitten.

Bob & Gale had to stick around to dog sit for **Howard & Cyndi**, who visited their son in Texas. **Rusts** settled in at Sarah's house for good food, tree house construction, and tea parties.

The big travel gift was **Jan Swanson's** great smile in all sorts of poses during her trip to Thailand.
