### ROCKY POINT FIRE/EMS BOARD

All 5 Board members, Fire Chief, Kathy Ross, and 3 guests attended the December meeting. Minutes and treasurer's report were approved. Fire Chief reported previous month responses to 1 medical, 3 MVAs, and 1 mutual aid. Cost to repair vehicle 2141, damaged in an earlier incident, will cost \$5200, an expense the Board approved.

EF recovery services should bring in between \$500 and \$2000 per incident for costs incurred when volunteers respond to MVAs. The department has started a trial period of a scheduling program (FFRS) at a cost of \$300 per year. John announced the dinner for Board members and Loren Head's retirement will be 12/21/13. He sees a need to install motion lighting on the bay door side of the building and will look into the cost of installing an exhaust fan for the apparatus bay.

Christy McLaren, reporting for the VFA, updated the board on the Ambulance Advisory Committee meeting concerning Emergency Air Lift.

Board adjourned to executive session until 9:50, during which they scheduled a workshop for all Board members on December 16<sup>th</sup>.

Old business consisted of an announcement that Appendix C of the

Handbook has been updated and added to the BOD Manual.

Before adjournment, the Board reminded everyone that we desperately need volunteers. Please consider contacting John to discuss how you can help.

You're welcome at any of the meetings the 2<sup>nd</sup> Tuesday of each month. *Meeting agenda is posted on the kiosk prior to each meeting. Minutes are posted at the fire hall kiosk, and complete meeting notes are available upon request at 356-2205. This Institution is an equal opportunity provider.*

**Reminder:** Three options for subscription medical transport service are available. Contact Rita for more information on how to subscribe, the coverage, and costs. (541 356-2233)

**Save a Life** – Our own **Christy McLaren** will be conducting CPR training for our volunteers. If there's enough interest, she'll also hold sessions for the public. Email her at [emtchristym@yahoo.com](mailto:emtchristym@yahoo.com) for details and more information.
